Health Fair Materials Examples

Subject: Bone Health

Loss of a Bone

SUBJECT: BONE HEALTH

Target: Adult

Description: Visual display of normal bone and osteoporotic bone, and shows the increasing risk of broken bones.

Size: 18" x 22"

Osteoporosis Model

SUBJECT: BONE HEALTH

Target: Adults

Description: Participants can see the common abnormalities of osteoporosis of the spine- such as a vertebral compression fracture and kyphosis. Model comes apart for closer inspection. Great for clinics and general health education, this replica comes mounted on a wooden base.

Osteoporotic Bone/Healthy Bone

SUBJECT: BONE HEALTH

Target: Adult Women

Description: An appropriate tool for showing the difference between healthy bone and bone affected by osteoporosis. This model can be used as a tabletop display or can be removed from its wooden base for closer inspection. One side of the model features a cross-section of dense bone; the other illustrates porous bone.

Preventing Osteoporosis

SUBJECT: BONE HEALTH

Target: Adult

Description: Motivate your group to keep their bones health. Explains what osteoporosis is and what it looks like. Covers risk factors, prevention with diet and exercise, testing and treatment

Size: 58" x 22"
